

Safely returning to the worksite requires every individual to do their part. When we do choose to open on location (even if just for a small group of kids), we expect that you will:

1. Self-monitor for COVID-19 symptoms, including regularly checking your temperature prior to leaving your home
  - a. Stay home if you are feeling sick, AT ALL.
  - b. Follow social distancing guidance when present at a The REALM or while conducting small group REALM classes at The REALM or outside
  - c. Wear a face covering (e.g., mask) when:
    - i. moving about common areas, stairwells, elevators, and restrooms
    - ii. when in contact with students
    - iii. Exceptions:
      1. You do not need to wear a face covering when you are able to maintain social distancing in your personal workspace
      2. If you are unable to wear a face covering because of a health condition or disability
      3. When eating or drinking
      4. If local regulations or cultural norms differ from these requirements
2. Complete a daily self-screening attesting that you:
  - a. Are COVID-19 symptom free, and
  - b. Have not knowingly had contact with a COVID-19 positive person in the past 14 days, and
  - c. Agree to follow social distancing guidelines
  - d. Wash hands every hour
  - e. Before leaving a space, wipe down all surfaces with disinfectant wipes including tables, counters, shared supplies, door handles, light switches and any other surfaces that were touched
  - f. Carry your own fanny pack or pencil case with your own: pencils, pens, dry erase markers, sharpies and scissors that are clearly marked with your name.

When on hikes or adventures with kids it is imperative that we follow safety guidelines and precautions including:

1. Students must be dropped off at location with their own supplies: water bottle, mask/face covering, sunscreen, personal hand sanitizer or disinfectant wipes.
  - a. Parents must sign and Complete a daily self-screening attesting that both parents and students:
    - i. Are COVID-19 symptom free, and
    - ii. Have not knowingly had contact with a COVID-19 positive person in the past 14 days, and
    - iii. Agree to follow social distancing guidelines
    - iv. Students must have temperatures checked upon arrival
2. Students and teachers must follow social distancing guidelines AT ALL TIMES. The only exception is if a student is hurt and needs immediate care. Teachers may do so using common sense precautions and thoroughly washing hands afterward. These instances must be recorded.

3. Games or activities must follow social distancing guidelines and students may not share materials, sports equipment, or personal items.
4. If any child exhibits ANY sign of illness (coughing, sneezing, fever, headache...) they must be immediately picked up.
  - a. Teachers must document student illness and directors should be immediately informed via email.
  - b. Parents will be contacted by directors to determine cause of illness. Students who have been sent home will not be allowed to return until:
    - i. They have been quarantined and symptom free for at least 14 days
    - ii. They have a doctor's note demonstrating a negative COVID test

At any point during the semester, The REALM may determine that all classes must be online for the safety of our community.
