

	Ages 5-7	Ages 8-10	Ages 11-14
9am	<p>The Gamester: Math & More! - <i>Nathan</i></p> <p>A little extra time on your hands? Let's learn a few new games that will keep you busy for hours on end! It's time to fight back against boredom with creative games where we can sneak in some educational value as well! All we'll need is a couple household items and a willingness to have a good time! Let's go friends, it's Game ON time!</p>	<p>Art of Puppetry: Create Your Own Theater - <i>Linda</i></p> <p>Students will create tiny theatres from boxes complete with scenery, changeable backdrops, and curtains. Then we will explore a variety of ways to create the puppets for our theatres including finger puppets, stick puppets, and even simple marionettes Once we have our cast complete it is story-telling time!</p>	<p>Blackbox Theater: Scriptwriting & Performing - <i>Josh</i></p> <p>Have you ever wanted to write your own movie, play or TV show? In this workshop we will have the opportunity to write our own! Comedies, dramas, maybe a bit of both. After our scripts are ready we can cast each other in various roles, learning how to make the script come to life both in the writing and acting!</p>
10am	<p>Storybook Theater - <i>Linda (and Jessie)</i></p> <p>Books! Books! Books! This class is for all those who love silly, awesome, unique and inspiring children's literature. We will take some of my very favorite stories and turn them into collaborative online theater adventures with Shadow puppets, Cardboard theaters, costumes and more! Join us for this journey into the fabulous land of stories!</p>	<p>Creative Writer's Salon - <i>Josh</i></p> <p>Stories are a fundamental part of our history and culture - and we love them! In this workshop, we will study the structure of what makes a story great. Protagonists, conflicts, the lovable anti-hero. For those of you that play DND we can even write campaigns! If you love to tell stories or want to become a stronger storyteller this class is for you!</p>	<p>Monsters & Mythology - <i>Kimber</i></p> <p>Things that go bump in the night can't scare us in this monstrous fun class! Whether it is otherworldly spirits, shape-shifting humans with supernatural powers or peculiar beasts of mythology and legend, these creatures thrill, entertain and bemuse us. Through a variety of art materials, students will create their own magical creatures as they draw, paint and sculpt.</p>
11am	<p>Science Crackerjacks - <i>Nathan</i></p> <p>This session the Science Crackerjacks Team is going to investigate some amazing science experiments that will give each student an opportunity to hypothesize and predict, perform and witness, and record and analyse data and results. Boo-yah! It's time to make learning the funnest part of your day! Let's go!</p>	<p>Monsters & Mythology - <i>Kimber</i></p> <p>Things that go bump in the night can't scare us in this monstrous fun class! Whether it is otherworldly spirits, shape-shifting humans with supernatural powers or peculiar beasts of mythology and legend, these creatures thrill, entertain and bemuse us. Through a variety of art materials, students will create their own magical creatures as they draw, paint and sculpt.</p>	<p>Mind Odyssey - <i>Linda</i></p> <p>There is never just one answer to a problem. This workshop will challenge your brains to think creatively and innovate as they solve a variety of verbal and hands-on puzzles. You will use all your engineering, as well as art, skills to complete tasks using everyday objects in a set time limit. Ready, get set,...create!</p>
1pm		<p>Harry Potter: Online School for Sorcerers- <i>Kimber</i></p> <p>Let your imagination run wild! From hippogriffs, dragons, and owls, to sorting hats, dementors, potions, and spells, come join us for the magical time of your life! During your time at Sorcerer School, young wizards and witches will immerse themselves in the wizarding world of Harry Potter through imaginative projects and fun experiences.</p>	<p>Dungeons & Dragons - <i>Josh</i></p> <p>Embark on an epic adventure to save the princess!.. or find treasures of untold value... or maybe just become the ruler of the world. Dungeons & Dragons is a team-oriented role-playing game where students get to explore their individuality and creativity. We will take on alternative personas and work together to overcome challenges with a combination of strategy, teamwork, and imagination.</p>
2pm		<p>Build Your Own Dream House - <i>Linda</i></p> <p>With a pile of recycling and boxes, a little imagination, and a glue gun you can let your inner architect/interior designer take flight. It is time to transform one man's junk into a miniature house of your dreams. In your own world that you create You can have an indoor trampoline, slides for stairs, sleep in a hammock, or hide a room behind a revolving bookcase. The only thing limiting you is your own vision...</p>	<p>Harry Potter: Online School for Wizards- <i>Kimber</i></p> <p>Let your imagination run wild! From hippogriffs, dragons, and owls, to sorting hats, dementors, potions, and spells, come join us for the magical time of your life!
